MEMORANDUM FOR

THE DIRECTOR, INTERNATIONAL
COMMUNICATION AGENCY

SUBJECT: Soviet Involvement in Afghanistan (C)

USICA's handling of the Soviet involvement in Afghanistan as reported in your memo of October 10, 1979, has been commendable and is indicative of a keen understanding within the agency of the importance of this issue. (C)

As Soviet involvement continues, your agency should take positive steps to ensure that there be the high level of coverage demanded by the situation, including some increase in VOA worldwide English and continued full coverage in the Wireless File. (C)
